

SEAT Leon.

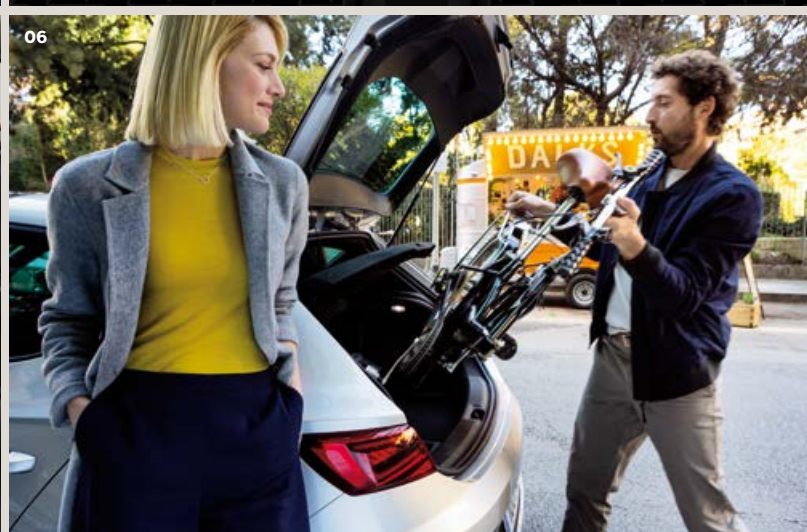

All you need on every road.

With iconic design and streamlined, aerodynamic lines, the new seat leon has a character that stands out and makes it unmistakable on any street. Exterior design lines give it a unique character that's enhanced by moulded front and rear bumpers. The redesigned Full LED Headlamps are perfectly integrated, making expert design and innovation seem effortless.

The inside of the New SEAT Leon has been designed with your passengers, and more importantly with you in mind. With quality upholstery and plenty of space, it also comes with a newly designed driver-oriented dashboard with 8" infotainment touch screen and an LED illuminated driver console. This ergonomic design gives you easy access to all this car's incredible features, whilst keeping everybody comfortable in the back.

Keeping up with your active life can be a challenge sometimes, so it definitely helps when you have all the technology needed to make everything run smoothly. Thanks to the Wireless Charger and Full Link Technology no conversation will ever be cut short. And with the Rear View Camera, take comfort in knowing that tight spots will be as easy to get out of, as they are to get in.

Choose to do whatever makes you happy, because right now is the moment to go out and enjoy any moment. Efficient. City driving is always a pleasure when you can take advantage of great urban performance in all aspects.
